axishealth

Axis Health's extensive range of equipment continues the tradition of industry leadership offering a significant number of products into the healthcare environment.

We have developed a comprehensive equipment range that combines advanced functionality and contemporary design with quality and reliability. Using a variety of finishes and colour combinations the product range offers unlimited applications throughout the healthcare environment, from the stringent infection control requirements of the operating theatre and CSSD right through to the Aged Care facilities and Consulting Rooms with colour coordinated environments.

Custom Design

Specialising in the manufacture and supply of medical equipment for the Australian market, Axis Health can work with you on design and provide advice to ensure that you receive the right product for your application.

Detailed consultation with clients ensures not only that products are manufactured exactly to specification, but also allows us to understand and meet the changing needs of the healthcare market. This information feeds through not only to our designers and manufacturers but all key members of our company ensuring that products are made and selected to exceed the expectations of clients.

1

Customer provides detailed information and product requirements.

2

Technical Drawings and a CAD image is provided for the custom item.

3

The CAD drawing is submitted to the customer for approval.

4

Once approved and ordered, manufacture begins.

Local Manufacturing

As a specialist manufacturer of precision-designed aged care and hospital equipment, Axis Health is known for its unique ability to create innovative healthcare concepts.

- Australian designed and engineered
- Manufactured in Australia in accordance to quality standards ISO9001
- TGA Therapeutic Goods Andministration registered
- Local custom design services

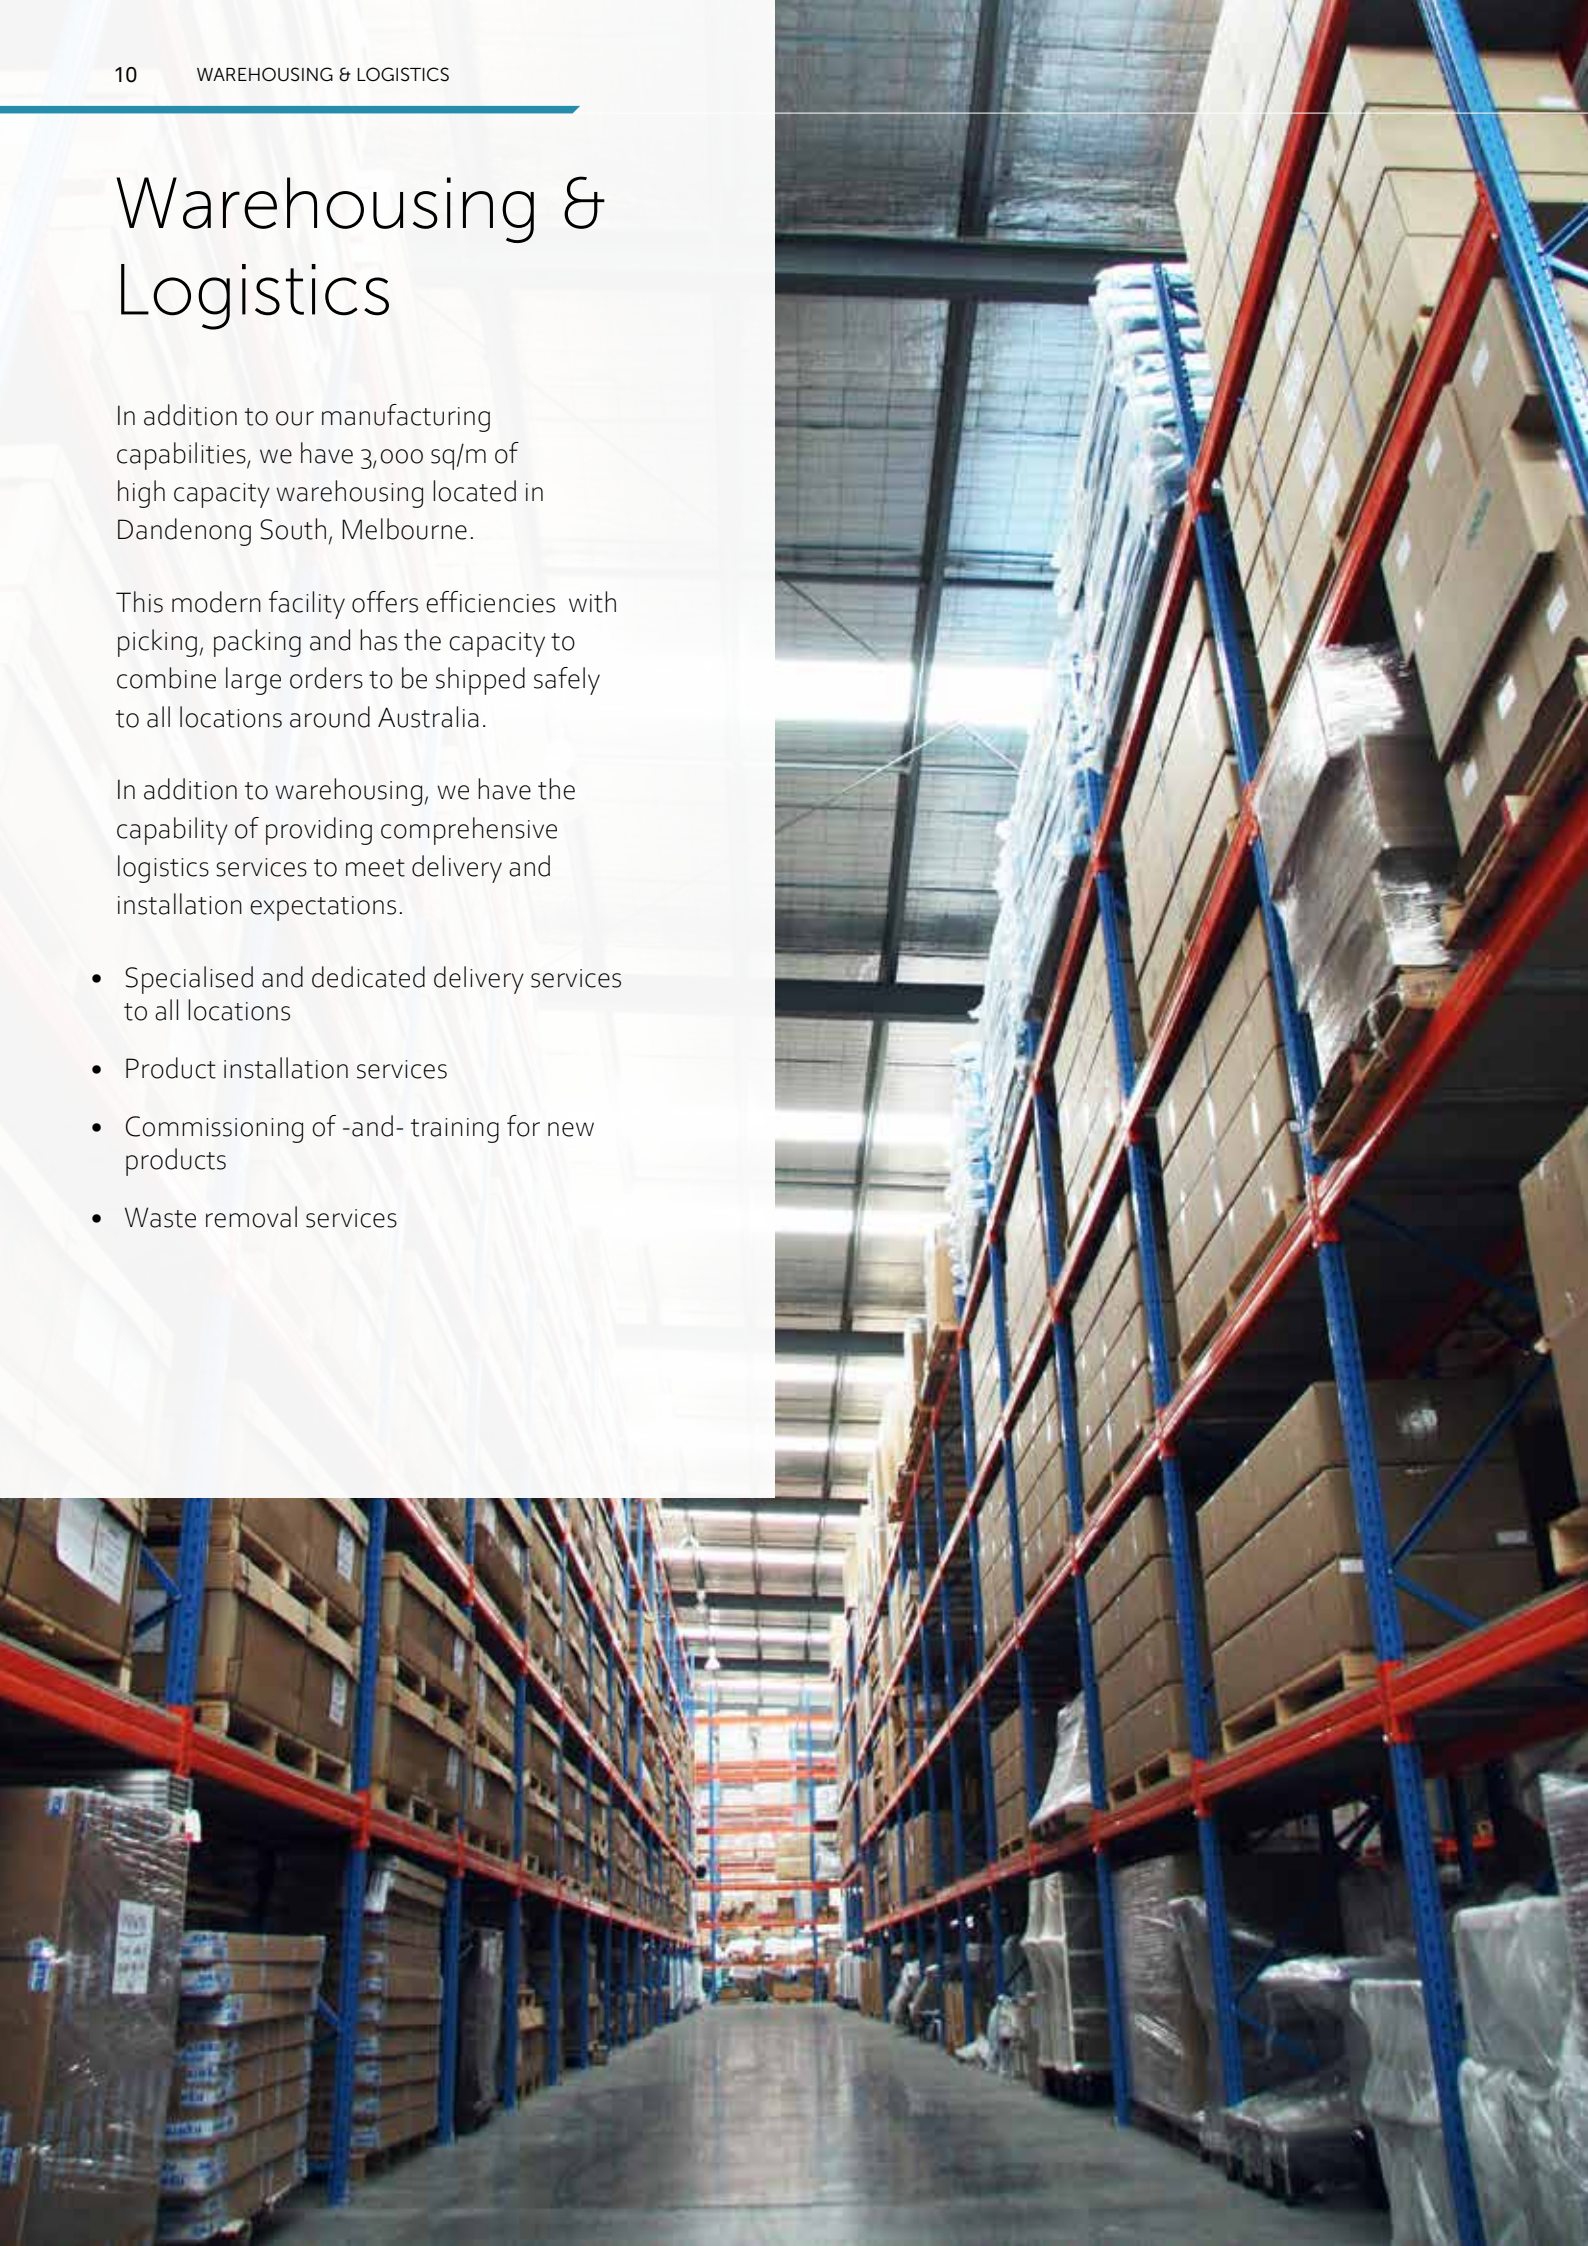
Warehousing & Logistics

In addition to our manufacturing capabilities, we have 3,000 sq/m of high capacity warehousing located in Dandenong South, Melbourne.

This modern facility offers efficiencies with picking, packing and has the capacity to combine large orders to be shipped safely to all locations around Australia.

In addition to warehousing, we have the capability of providing comprehensive logistics services to meet delivery and installation expectations.

- Specialised and dedicated delivery services to all locations
- Product installation services
- Commissioning of -and- training for new products
- Waste removal services



Markets

The Axis Health Range includes a detailed range of equipment dedicated to the following sectors: Acute Care, Primary Care, and Aged Care.

We have an extremely diverse product portfolio and offer an extensive project management scope with installation, services and commissioning capabilities.

Combining advanced functionality and contemporary design with quality and reliability.

Product Range ▷

Instrument Trolleys

Axis Health instrument trolley design methods are class leaders in providing high quality carts for the surgical and clinical environments.

With a focus on durability features such as double folded safety edges, under shelf bracing and castor mount inserts as standard. These ensure safety and stability at all times.

Shelf Rails

12mm stainless steel rails
Fully welded stainless steel shelf
Double safety folds to all edges

Under Shelf Bracing

Full under bracing providing
maximum stability and strength

Stainless Steel Construction

Satin finish – 304 grade
stainless steel throughout

Shelf – Stainless Steel

Double safety folds to all edges

Castors

100mm Precision bearing fork castors

Soft grey rubber wheel, including 2 locking castors to the front

Self-closing Drawer Runners

Full extension, easy glide ball bearing runners

Automatic self-closing action

NO RAIL

AX001-G1
Instrument Trolley
490 x 490 x 900mm
100mmØ castors; 2 x braking

AX003-G1
Instrument Trolley
600 x 490 x 900mm
100mmØ castors; 2 x braking

AX006-G1
Instrument Trolley
750 x 490 x 900mm
100mmØ castors; 2 x braking

RAIL 3 SIDES

AX033-G1
Instrument Trolley
490 x 490 x 900mm
100mmØ castors; 2 x braking

AX036 -G1
Instrument Trolley
600 x 490 x 900mm
100mmØ castors; 2 x braking

AX039-G1
Instrument Trolley
750 x 490 x 900mm
100mmØ castors; 2 x braking

ONE DRAWER

AX054-G1
Instrument Trolley
490 x 490 x 900mm
Self-closing drawer runners
100mmØ castors; 2 x braking

AX057-G1
Instrument Trolley
600 x 490 x 900mm
Self-closing drawer runners
100mmØ castors; 2 x braking

AX060-G1
Instrument Trolley
750 x 490 x 900mm
Self-closing drawer runners
100mmØ castors; 2 x braking

TWO DRAWER

AX066-G1
Instrument Trolley
490 x 490 x 900mm
Self-closing drawer runners
100mmØ castors; 2 x braking

AX069-G1
Instrument Trolley
600 x 490 x 900mm
Self-closing drawer runners
100mmØ castors; 2 x braking

AX072-G1
Instrument Trolley
750 x 490 x 900mm
Self-closing drawer runners
100mmØ castors; 2 x braking

Note: *All height measurements are to top of shelf*

AX009-G1
Instrument Trolley
900 x 490 x 900mm
100mmØ castors; 2 x braking

Other models available:

AX015-G1 1000 x 600 x 900mm
AX018-G1 1200 x 600 x 900mm

AX042-G1
Instrument Trolley
900 x 490 x 900mm
100mmØ castors; 2 x braking

Other models available:

AX048-G1 1000 x 600 x 900mm
AX051-G1 1200 x 600 x 900mm

AX063-G1
Instrument Trolley
900 x 490 x 900mm
Self-closing drawer runners
100mmØ castors; 2 x braking

AX075-G1
Instrument Trolley
900 x 490 x 900mm
Self-closing drawer runners
100mmØ castors; 2 x braking

MULTI-DRAWER TROLLEYS

AX076-G1
Instrument Trolley
490 x 490 x 900mm
Stainless steel construction
Self-closing drawer runners
3 Drawers – 125mm deep
125mmØ castors; 2 x braking

Other models available:

AX077-G1 600 x 490 x 900mm
3 Drawers – 125mm deep

AX0780-G1 750 x 490 x 900mm
3 Drawers – 125mm deep

AX079-G1 900 x 490 x 900mm
3 Drawers – 125mm deep

AX080-G1
Instrument Trolley
490 x 490 x 900mm
Stainless steel construction
Self-closing drawer runners
4 Drawers – 125mm deep
125mmØ castors; 2 x braking

Other models available:

AX081-G1 600 x 490 x 900mm
4 Drawers – 125mm deep

AX082-G1 750 x 490 x 900mm
4 Drawers – 125mm deep

AX083-G1 900 x 490 x 900mm
4 Drawers – 125mm deep

AX073-G1
Instrument Trolley
900 x 490 x 900mm
Stainless steel construction
Self-closing drawer runners
2 half drawers – 125mm deep
100mmØ castors; 2 x braking

AX107-G1
Resuscitation Trolley
750 x 490 x 900mm
Stainless construction
Self-closing drawer runners
4 half drawers – 125mm deep
125mmØ castors; 2 x braking

Note: *All height measurements are to top of shelf*

Equipment Trolleys

The range of Equipment Trolleys is extensive and all trolleys are designed featuring a solid tubular frame which ensures rigidity at all times. This allows the drawers to be mounted securely and to operate efficiently. All drawer runner systems are full ball-bearing extension type featuring a soft self-closing mechanism to prevent the drawer from accidentally opening during transport.

As with the instrument trolleys, the shelves feature double fold and under shelf bracing for a stable work platform. Our range of Equipment Trolleys are available in all stainless steel or can be colour coordinated with powder coated drawers and panels.

All trolleys are fitted with 125mm precision bearing heavy duty castors (2 x locking castors) with optional corner buffers available.

AX108-G1
Resuscitation Trolley – Standard

750 x 490 x 900mm
Stainless construction
Self-closing drawer runners
4 Half drawers – 125mm deep
1 Full width drawer – 125mm deep
Self-closing drawer runner
125mmØ castors; 2 x braking

AX110-G1
Resuscitation Trolley

750 x 490 x 900mm
Stainless construction
Self-closing drawer runners
6 Half drawers – 125mm deep
1 Full width drawer – 250mm deep
125mmØ castors; 2 x braking

AX078-G1
Multi Drawer Trolley

900 x 490 x 900
Stainless steel construction
Self-closing drawer runners
4 Drawers – 100mm deep
2 Drawers – 150mm deep
125mmØ castors; 2 x braking

AX104-G1
Anaesthetic Trolley

600 x 490 x 1000mm
Stainless construction
Self-closing drawer runners
2 Drawers – 125mm deep
2 Drawers – 250mm deep
125mmØ castors; 2 x braking

AX102-G1
Anaesthetic Trolley

600 x 490 x 900mm
Stainless construction
Self-closing drawer runners
3 Drawers – 125mm deep
1 Drawer – 250mm deep
125mmØ castors; 2 x braking

Spectra Trolleys

The Spectra range is a trolley system that combines mobility and drawer flexibility into a lightweight colour coded package that has applications throughout all healthcare environments.

The shelves are one piece moulded polymer which are easy to clean and eliminates infection control issues due to the rounded internal mould design, whilst integrating a raised lip to three sides to prevent items falling off.

60 x 40 TRAY SYSTEM

The unique drawer systems is based on a removable 60 x 40 tray system that offers three different depths and the option of integrated drawer dividers. This allows flexibility with the trolley applications, particularly in the ability to restock the carts with transfer tray systems.

AX0693
CSSD Workstation
2300mm Long x 750mm Deep | Height Range: 750 – 1050mm

CSSD WORKSTATIONS

Our range of CSSD workstations and associated equipment are designed with flexibility in mind. A large range of accessories, options and sizes are available and allows the workstation to be configured to meet a multitude of applications, optimising work flow, room layout and departmental efficiency.

The simple push button electric height adjustment ensures that the optimum working height is achieved to ensure correct operator's posture, providing comfort, and minimising occupational health and safety issues.

Construction of all stainless steel, featuring a reinforced heavy duty top surface, ensures infection control issues are minimised. Stable base design ensures stability and provides clear access for operators legs and feet.

Electric Height Controls

Simple push button controls conveniently located at the corner of the workstation.

Dual column electric height adjustment. Standard height range 750–1050mm. The height range is 300mm.

Option – Battery back up system

CSSD WORKSTATION ACCESSORIES

Our range of CSSD workstations and associated equipment are designed with flexibility in mind. A large range of accessories, options and sizes are available and allows the workstation to be configured to meet a multitude of applications, optimising work flow, room layout and departmental efficiency.

A. AX0694 | Magnifying Light
- LED Magnifying Lamp 6,000K
- Self-Balancing spring tension 1200mm reach
- Adjustable Table Clamp - allows repositioning

B. AX0695 | Drawer Unit
- Stainless construction with full extension runners 125mm deep
- Drawer 440mm wide x 400mm deep

C. AX0696 | Monitor Holder
- Fully adjustable monitor holder with visa mount to suit most screens
- Bracket is height adjustable and can rotate

D. AX0697 | Under Bench Shelving
- Construction of chrome plated wire, optional stainless steel construction
- Shelving size can be varied depending on the size of table
- Shelf heights can be adjusted

E. AX0685 | Kimguard Rack
- Can be fitted either side of the workstation
- Removable and telescopic

F. AX0698 | Accessory Shelf
- Constructed of chrome plated wire
- Shelf depth 300mm
- Single or multiple shelves may be fitted
- Shelves can be positioned at different heights if required

G. AX0699 | Under Bench Basket System
- 4 x pull out chrome plated baskets
- Baskets are mounted on full extension runners
- Basket size 500 x 400 x 100mm deep

H. AX0700 | Pull-out Shelf
- Shelf size 1000 x 800mm
- Mounted on heavy duty full extension runners
- Glass shelf, Option of Stainless steel shelf

Optional - Custom manufactured sink unit

AX0684
Transportation Trolley

1200 x 600 x 900mm
Stainless steel construction
3 shelves with rails to three sides

In addition to the standard sizes offered, custom sizes are available

CASE CART FEATURES

Shelf System

Each unit is supplied with an adjustable shelf system that allows the stainless steel wire shelf to be positioned as required. *Additional shelves are available.*

Door System

The doors swing open to a full 270° and ensures full unobstructed access. Flush fitting, heavy duty door latches are fitted. The doors have bracing rods welded to the door perimeter to ensure rigidity and durability.

Operating Theatre

The GM Medical range of operating theatre equipment has a strong emphasis on being manufactured from stainless steel minimising infection control issues. All products in this range are fully welded and highly polished, therefore easy to clean and maintain.

This diverse range of products covers all clinical and surgical equipment requirements.
