### Custom Design

Specialising in the manufacture and supply of medical equipment for the Australian market, GM Medical can work with you on design and provide advice to ensure that you receive the right product for your application.

### Australian Made

- Australian designed and engineered
- Manufactured in Australia in accordance to quality standards ISO9001
- TGA Therapeutic Goods Administration registered
- Local custom design services

## KEY PRODUCT UPGRADES

GM Medical Instrument and Multi Draw Trolley design methods are class leaders in providing high quality products. With a focus on durability features such as double folded safety edges, under shelf bracing and castor mounts inserts as standard, GM Medical have further enhanced its existing product range, offering the below standard inclusions.

### Drawer Runners

All draw runners upgraded to include a full ball-bearing soft self-closing draw runner set

### Castors

- 100mm precision bearing castors
- Soft grey rubber wheel including 2 x locking castors
